Re. Steve Hickman vs marzec, et al., No.05-811 & 839-KAJ  
(D.Del. ) White v. Marzec, No. 06-008-KAJ ( D.Del.) and  
Weatherspoon v. Marzec, No. 06-009-KAJ(D.Del.)

Dear Your Honor:

Marzec and fellow officers, know the truths, but always try to put up smoke  
screen  
to cover the unlawful, and unethical activities. And are not entitled to no immunities  
because  
their acts show they did not act in "good faith" (a). now he is trying to attribute ther  
writing  
of the report he clearly wrote to another officer [Officer Marvin Mailey] (1). Exhibit A-1  
it  
is clearly stated the observations were made by TFO Marzec and (2) Even if that was true  
it shows a terrible lack of professionalism on the part of Marzec that an Officer working  
with him knew the difference and he didn't and (3) Marzec only accepts facts that benefit  
what he wants to accomplish.

He [Marzec] submitted another fact not based on the truth (a) a computer check  
of Tawanda Weatherspoon's address would have reviewed her address as 9008 Green  
Top  
Rd. Lincoln, DE. 19960 [Exhibit B-1 verifies this] a picture or photocopy of her driver's  
license.

The plaintiff, has asserted numerous facts and pictures clearly showing a single-  
wide  
Tan mobile home as described in search warrant exist in Ellendale Delaware and the  
search  
warrant not only doesn't mention the double-wide in Lincoln, it also establishes no  
probable  
cause for it search and seizure as well.

[1]. As a matter of Law the defendants have not met their burden of proof  
essential  
To obtain dismissal of petitioners claim for failure to state a claim.

a. Allegations accepted as true under subdivision (b)(6). for the purposes of a motion to dismiss for failure to state a claim under subdivision (b)(6) of this Rule, all allegations in the complaint must be accepted as true. *Barni v. Kutner*, 45 Del. 550, 76 A.2d 801 (1950) Motion to dismiss for failure to state claim assumes the facts as alleged by plaintiff. *Stevenson v. Isaacs*, 126 F. Supp. 411 (D.Del. (1954)

The actions of the defendants and their pleadings must be considered as a matter of law as motion for Summary Judgment. where defendant asserts that plaintiff has failed to state a claim upon which relief may be granted and moves to dismiss the case pursuant to paragraph (b) of this rule and offer affidavits and depositions in addition to the pleadings, its motion must be considered a motion for summary judgment. *Shultz v. Delaware Trust Co.* 360 A.2d 576 (Del. Super. Ct. 1976)

Vagness and lack of detail in the pleaded claim are not sufficient grounds alone to dismiss a complaint for failure to state a claim. *Diamond State Tel. Co. v. University of Del.* 269 A.2d 52 (Del. 1970)

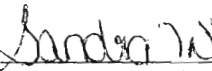

A motion for Summary Judgment can not be granted were pleading present a question of law as present in 'instant' case in regards to several matters. *Fagnani v. Integrity Fin. Corp.*, 53 Del. 193, 167 A.2d 67 (1960)

The actions of Marzec and fellow officers, have clearly Violated rights of Steve Hickman, Sandra White and Tawanda Weatherspoon, granted by fourth Amendment as stated in *Harlow v. Fitzgerald*, Marzec and fellow officers are not entitled to qualified immunity.

Thus Hickman, White and Weatherspoon, moves the Court to deny defendants Request and hold them accountable For their unprofessional, unpoliceman like and illegal acts. The Court should not pass on this type of police work and deception, Because it only authorizes them to do this again and again and The civil rights, Bill of Rights and U.S. Constitution clearly Stand against what Marzec and his fellow police officer did on 09-21-05 and a message need to be sent to deter these type of Police actions and works in the future.

Tawanda Weatherspoon

Exhibit B-1 verifies (a) any computer check with Tawanda Weatherspoon as a subject after April 2005, would review her address as 9008 Green Top Rd Lincoln, Delaware 19960 (b) That Marzec's affidavit is a misrepresentation of the truth and © he probably never conducted a computer check in reference to Tawanda Weatherspoon.

Detective Marzec and Agent Tom Jacob's have clearly perjured themselves as well as entered documents and information into Court Records and the instant cases of Hickman, White and Weatherspoon, that they know is not the truth and the Court need to consider action against them for this Official Misconduct.

The Supreme Court of the United States has already ruled on the issue of Qualified Immunity, when it involves the violation of the fourth Amendment rights against illegal searches and seizures in *Mitchell v. Forsyth*, 472 U.S. 510, *Harlow v. Fitzgerald*, 457 U.S. 800 (1982) states that Qualified Immunity, similar to absolute immunity, is an entitlement not to stand trial under certain circumstances. [Not in this case which is an violation of fourth (4<sup>th</sup>) Amendment rights which are clearly established and known to all well trained police officers.

What Marzec and his fellow officers are trying to do with the Qualified immunity entitlements is what it is not designed for, which is (a) to prevent a trial on issues that are trialable and (b) present it as a 'mere' defense to their liability. This is the reason why they [Marzec and his fellow Officers] are not entitled to Qualified Immunity and matter should continue its course for Trial.
